

## STARTER COACHING PACKAGE

The fee of \$ 599 for this four-week coaching package includes:

- ▶ (4) 1-hour sessions of the *Core Energy Coaching Process*, via phone/Skype/Zoom/FaceTime.
- ▶ Assessment tools to determine what you need:
  - - The *Energy Leadership™ Index (ELI) assessment*, including a debriefing session with a professional analysis and interpretation of your results (not included)
    - 360-degree leadership assessment (not included)
    - SWOT, TOWS matrix, SOARS, PESTLE, STEEPLE analysis
    - Value assessment
    - Strengths assessment
    - Business wheels
    - Other specialized wheels, as needed
- ▶ Choose between a more structured method of coaching (**Option #1**) or an open, friendly, welcoming, unstructured save space where you can bring to the coaching session whatever you would like to work on (**Option #2**).
- ▶ If you choose **Option #1** I will guide you through one of the **programs** that will best fit your needs (1/3 of a 12-week program).
- ▶ As needed:
  - ▶ Weekly email support between the sessions.
  - ▶ Preparation email for the next coaching session.
- ▶ Results-focused coaching helps to create:
  - Supportive habits
  - Positive, empowering beliefs to bring you to your next level of success in your business.
- ▶ If you choose **Option #1** you'll get book excerpts, summaries of essential learning points, and worksheets.

**NOW CHOOSE YOUR PROGRAM YOU WOULD LIKE TO FOCUS ON:**

### PROGRAM I: BUSINESS MASTERY

- ▶ Learn how to attract your ideal clients with the Ideal Client Attraction Blueprint.
- ▶ Identify your strengths, opportunities, weaknesses, and threats.
- ▶ Develop and determine the best-suited strategy for your company.
- ▶ With the right strategy, you'll win again and increase the company's revenue.

## **PROGRAM II: MINDSET MASTERY**

- ▶ Learn how to develop a Winning / Growth Mindset that supports your strategic decisions in your company.

## **PROGRAM III: LEADERSHIP MASTERY**

- ▶ Improve your leadership skills with in-depth training.
- ▶ I will guide you through the proprietary Energy Leadership Development Process.
